

## FEES AND PAYMENTS

Preparatory Department	1100 USD
Bachelor	1800 USD
Master	1950 USD
Bachelor in Oil and Gas Engineering and Technology (in English)	2200 USD
Master in Oil and Gas Engineering and Technology / Energy Management (in English)	2300 USD
Hostel	350 USD
Insurance	150 USD
Migration fees	100 USD
Invitation	50 USD

## ADMISSION PROCEDURE

### Documents for Invitation for Study in Ukraine:

1. Copy of passport;
2. Copy of High (Secondary) School Certificate with transcript;
3. Consent to personal data collection and processing.

### Admission documents:

1. Application form;
2. High (secondary) school certificate (original and verified copy);
3. Health certificate (valid within two months from the moment of issue);
4. 6 photos (3x4 cm);
5. Passport.

**Certificate in Intermediate English (B2 level) is required for students who want to study in English group**

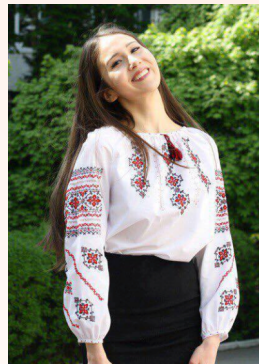

## HELLO TO OUR COUNTRY PEOPLE

*"You will find the warmest welcome and excellence in education",  
Hurtado Godoy  
Stefanny Paola (Ecuador)*

*"When I came to study here I fall in love with this country and its people",  
Feng Jianguo*

*"Learning is very interesting here. The practical training in the Carpathian mountains was very exciting",  
Victor Marcolino Silvano (Angola)*

*"I like studying here, lectures are always interesting and informative. Well-equipped labs and highly-qualified faculty and staff will help me to become a successful professional"  
Al-Tameemi Mohammed (Iraq)*

*"I liked Ivano-Frankivsk because it is small and calm: it is easy to adapt to a new order, a new culture. Here live friendly people, and teachers help much: they understand that it is a completely different life for international students. In addition to core courses, the university offers various trainings, additional courses and even exchange programs! It's cool: you plan to get one diploma, but in fact you also get different certifications - employers will be definitely satisfied",  
Amanova Aygozel (Turkmenistan)*

## CONTACTS

Centre for International Education  
Rooms 0411, 0419, 0421a  
15, Karpatska Street, Ivano-Frankivsk, 76000, Ukraine

Ivano-Frankivsk National  
Technical University  
of Oil and Gas  
(IFNTUOG)

**We educate, innovate, unite, and empower.  
You learn, inspire, fight and excel!**

**EDUCATION FOR LIFE  
FROM IFNTUOG**

**Ivano-Frankivsk** is a historic city located in the western Ukraine (~ 550 km from Kyiv). It is the administrative centre of the Precarpathian region. A city visitor may find elements of various cultures intertwined within Ivano-Frankivsk. In clear weather, it is possible to see the high peaks of the Carpathians with the forests running down from the mountains almost to the edge of the city suburbs.

## DISCOVER EXCITING FIELDS OF ENGINEERING

**IFNTUOG** has the highest (4th) level of accreditation and trains professionals for oil and gas engineering and other fields. Established in 1967, IFNTUOG currently comprises 8 institutes; its student enrollment is 11.000, with more than 500 international students from 40 countries from Europe, Asia, Africa and Latin America.

## SPECIALTIES

- 1. Oil and Gas Engineering and Technology:**
  - Oil and Gas Production\*;
  - Oil and Gas Pipelines and Storage Facilities;
  - Equipment for Oil and Gas Industries.
- 2. Mining:**
  - Oil and Gas Well Drilling.
- 3. Engineering Mechanics:**
  - Welding Technology and Equipment;
  - Computerized and Robotic Technology of Machine Engineering;
  - Mechanical Engineering Technology;
  - Technical Diagnostics of Equipment and Structures.
- 4. Motor Vehicle Transport**
- 5. Earth Sciences:**
  - Oil and Gas Geology;
  - Geophysics;
  - Geoinformatics;
  - Engineering Geology and Hydrogeology.
- 6. Environmental Studies**
- 7. Environmental Protection Technology:**
  - Environmental Monitoring and Audit.
- 8. Geodesy and Land Management:**
  - Geodesy;
  - Land Management and Cadastres;
  - Geoinformation Systems and Technologies;
  - Real Estate and Land Appraisal.
- 9. Electrical Power Engineering:**
  - Electrical and Technical Systems of Electricity Consumption;
  - Energy Management.
- 10. Metrology and Information-Measuring Technology:**
  - Metrology and Measuring Devices;
  - Devices and Systems of Nondestructive Control.
- 11. Computer Engineering**
- 12. Software Engineering\***
- 13. Information Systems and Technology**
- 14. Telecommunications and Radio Engineering**
- 15. Automation and Computer-Integrated Technology:**
  - Computer Process Control;
  - Computerized Systems of Management and Automation.
- 16. Tourism**

## LEISURE

*Student life is the time for...*

*... travelling to beautiful places*

*... sharing knowledge about native countries*

*...doing sports*

*...making friends*

- 17. Architecture and Urban Planning**
- 18. Construction and Civil Engineering**
- 19. Economics:**
  - Business Economics\*;
  - Environmental and Natural Resources Economics.
- 20. Accounting and Taxation**
- 21. Business, Trade and Exchange Activities:**
  - Business Diagnostics and Management Consulting.
- 22. Finance, Banking and Insurance**
- 23. Management**
- 24. Information, Library and Archival Studies:**
  - Records Information Management.
- 25. "Philology (Translation and Interpreting - English, German)"**
  - Germanic Languages, English-Ukrainian Interpreting and Translation, Teaching English and German
- 26. Public Management and Administration**

*\* Possible English medium of instruction. Please, contact us for more information.*
